

### Into The Unknown (Hamilton Evans cut)

Into the  
 Into the unknown  
 Into the unknown  
 (Oh)

I can        you but I won't  
 Some look for        while        don't  
 There's a thousand        I should go about my  
 And ignore your        which I wish would go        , oh  
 Whoa

You're not a        , you're just a        in my ear  
 And if I        you, which I don't, I'm        for I fear  
 Everyone I've ever        is        within these  
 I'm sorry, secret        , but I'm        out your  
 I've had my        , I don't need        new  
 I'm        of what I'm        if I        you

Into the unknown  
 Into the unknown  
 Into the unknown  
 (Oh)  
 (Oh)

Whoa  
 Are you        there?  
 Do you        me?  
 Can you        me?  
 Can you        me?  
 Ooh

(Ah) ooh

(Ah) ooh

(Ah) ooh

(Ah) ooh

(Ah) ooh

Where are you ? Don't me

How do I you

Into the unknown?

Woo!
