### while watching

B. Watch Part 2 of the video and answer the questions.

1. What is the woman trying to make a video of?
2. What happens when her camera falls down?

C. Watch Part 3 of the video and tick the animals you see.

1. penguin

3. toucan

5. elephant

7. frog

2. lion

4. beetle

6. whale

D. Watch Part 3 of the video again and write T for True or F for False.

1. The ocean is the habitat with the most animals. ☐
2. Animals can find food, water and shelter in tropical rainforests. ☐
3. Most animals come out at night in the desert. ☐
4. The sun doesn't come up for months during the summer in the polar region. ☐
5. Penguins live in the Antarctic all year round. ☐

E. Watch Part 3 of the video again and complete the sentences.

1. A(n) \_\_\_\_\_ is the natural home of an animal.
2. You can find life \_\_\_\_\_ down at the bottom of the ocean.
3. \_\_\_\_\_ are home to more than half of the world's animal species.
4. Animals in the desert get water from eating other animals and from \_\_\_\_\_.
5. In the winter, temperatures in the polar regions can reach \_\_\_\_\_ or even lower.
6. All life on Earth will die if all the \_\_\_\_\_ die.

### after watching

F. Discuss.

- What is the habitat like for animals in your area?
- Which habitat do you think is the most difficult for humans to live in?
