3 Read the following passage and decide if the sentences are true (T) or false (F). (1.0 pt)

ALBERT PARK

Albert Park is located only three kilometres from the Melbourne city centre. It is a 225 hectare sporting and recreational park.

The park is a beautiful, relaxing, and fun place to spend the day. You can enjoy a picnic or barbecue at one of the nine picnic areas. There is also a large lake. It is home to a gorgeous family of swans and is a lovely place to take a walk. If you are more adventurous, you can join the yacht and rowing club, take some lessons, or hire a boat just for fun and go for a paddle.

People organise some of Melbourne's most exciting events in Albert Park. In May, the "Million Paws Walk" sees many dogs play and run through the park with their owners, raising money for charity. Throughout the year there are various "Fun Runs", and in March the "Fosters Australian Grand Prix Carnival" is held here.

	T	F
1. Albert Park has an area of 225 hectares.
