

Listening

I. Listen to the conversation between Lovro and his sister Dora and say what they are arguing about.

II. Match at least five words on the left with the words on the right. Copy them in your notebook.

- | | |
|-----------|----------------|
| ● waste | ● the heating |
| ● have | ● paper |
| ● plant | ● our planet |
| ● turn up | ● the light on |
| ● recycle | ● a dishwasher |
| ● save | ● a bath |
| ● leave | ● water |
| ● use | ● trees |

III. Listen to the conversation between Lovro and his sister again and tick the pairs of words from Task (a) that Lovro mentions.

IV. Finish the sentences. If necessary, listen again.

- 1 Dora doesn't turn off the tap while brushing ...
- 2 She leaves the light ...
- 3 She never puts bottles ...
- 4 She always brings a lot of ...
- 5 She always takes ...
- 6 She always has ...
- 7 She always keeps the TV ...
- 8 She turns up ...

V. Give some warnings¹ to Dora. Use the examples:

If you don't turn off the tap while brushing your teeth you'll waste too much water.

If you don't switch off the light when you're not in the room, you won't save energy.
