

CREATIVE WRITING

Let us create a paragraph by sequencing the sentences. Just drag and rearrange the sentences in order of how you want the story to be told. Ensure to follow the rules for writing a paragraph.

I was very happy to read the story.

The book was about clowns working very hard in a Circus all day to be perfect performers.

One day Miss asked us to read a funny story.

I went to the library and chose a book about clowns.

It turns out that the story was not funny at all.

I thought reading about clowns would be funny.
