There were ¹lots of / any traffic jams in my city. It was a big problem because there ²were / was lots of pollution as well. There ³were / weren't many trees either, so there wasn't any ⁴clean air / tree trunks. This changed over the years. There are now many trees and two new parks. There wasn't a lake but they made a new one. There weren't ⁵some / any animals in that area. Now it is full of birds and fish. There were ⁶any / some flowers along the side of the streets, but now there are many more. My city is a lot cleaner and more colourful.
