4. Read and write *was, were, wasn't* or *weren't*.

My favourite place for a holiday is Sydney. We were there last summer for a month. It *wasn't* very hot because it was winter in Australia.

There was lots to see. On the first Monday, we went to the Sydney Opera House. Then we were on the ferry at Manly beach. There were lots of surfers but there *weren't* any sharks that day!

On Tuesday, we went to Taronga Zoo. We were on a cable car and the view was great! There were tigers and elephants and koalas but there weren't any lions.

On Wednesday, we were at the Olympic Park. On Thursday, we were at the top of the Sydney Tower – you can see the whole city!

Then on Friday, we were on the train to Perth to see our family. It was such a long way and it wasn't a high-speed train. We were on the train for three days! It was a great holiday!
