TASK 5 Read the story and choose the correct words (a, b or c) to complete it.

My Trip with Ben

I love camping. Last week, me and my cousin Ben celebrated our birthday – we are both sixteen. Ben's parents bought him a green tent for his birthday, so we decided to go camping for a day.

We arrived in the afternoon and Ben put up the tent. We decided to go for a walk and collect some sticks and dry leaves for the camp fire. 'The sky looks very dark', I said. 'I think it's going to rain.' As we walked through the woods, the rain started. Five minutes later, the rain changed into a big storm! We ran back to the tent, but our clothes were wet.

'Don't worry', Ben said, 'the sun will be shining again soon'. We wanted to cook some sausages for dinner. I held an umbrella, and Ben tried to light the fire with some matches. But the rain was too heavy and the fire stopped. We couldn't cook anything, so we sat in the tent and ate chocolate bars for dinner!

'Let's stay in the tent and wait for the rain to stop,' I said. We climbed in and put our blankets around us. We played cards all night and laughed until we fell asleep. In the morning, it was sunny again and our clothes and everything else was dry. When we got up to make our breakfast, we couldn't find the sausages anywhere. 'Where did you put them?' asked Ben. Then we saw the empty packet on the ground – a bear ate all of them! We got scared! We quickly packed up the tent and ran home. We won't leave any food outside next time.
