

## SIMPLE PAST

Simple past merupakan salah satu unsur kebahasaan pada Narrative text. Simple past digunakan untuk menceritakan peristiwa yang terjadi dan selesai di masa lalu.

Terdapat dua jenis rumus simple past, yaitu:

- Simple past with 'to be'
- Simple past with 'verbs'

### A. Simple Past with 'to be'

<b>Positive</b>	subject + to be + adjective / noun / prepositional phrases
<b>Negative</b>	subject + to be + <b>not</b> + adjective / noun / prepositional phrases
