

I collect postcards. I've collected them  
1 ..... a long time. I started when  
I was six and I'm thirteen now, so I've had this  
hobby 2 ..... seven years. I started  
when my uncle sent me a postcard from Madrid.  
He 3 ..... visited a penfriend there  
every year 4 ..... he was a teenager.  
All my friends and family 5 .....  
sent me postcards 6 ..... then.  
My favourite is a postcard  
that 7 .....  
been on my bedroom wall  
8 ..... I was  
ten. It's a photo of  
New Zealand.
