

# TOP TIPS FOR MOVING HOUSE

1. Collecting large cardboard boxes in the weeks before you move enables you \_\_\_\_\_ (pack) easily and quickly.
2. Writing the names of rooms in your new house on cardboard boxes helps you and the removal company \_\_\_\_\_ (know) exactly where to take the boxes.
3. Getting up really early on house-moving day allows you \_\_\_\_\_ (take) your time and not get stressed.
4. Moving house easily and painlessly requires you \_\_\_\_\_ (start) planning weeks in advance
5. Wrapping breakable items in bubble wrap prevents you from \_\_\_\_\_ (damage) important or valuable objects.
6. Hiring a professional removal company lets you \_\_\_\_\_ (relax).
7. Writing a list of all your belongings before you start to pack forces you \_\_\_\_\_ (think) about exactly what you need to do.
8. Throwing away stuff you don't need in your new house saves you from \_\_\_\_\_ (waste) time because you won't pack or transport it.
9. Playing classical music while packing makes you \_\_\_\_\_ (feel) happy and in control.
10. Hiring your own van and getting friends to help stops you from \_\_\_\_\_ (spend) lots of money on expensive removal company fees.
