

10 ways to survive in the wild

Page last updated at 11:42 GMT, Wednesday, 15 July 2009

A British teenager has survived a fortnight* lost in the Australian bush. What are the dos and don'ts of staying alive in terrain like that?

Jamie Neale, from north London, went missing in the Blue Mountains, west of Sydney, and was found by two walkers.

His father says he survived on **berries, leaves** and water, and slept under **logs**. The weather had been **foggy, wet** and **freezing**.

The area is a mountainous region dissected by deep gorges, with hanging **swamps** and **heathland**. There is **eucalyptus forest** and **rainforest** in this area.

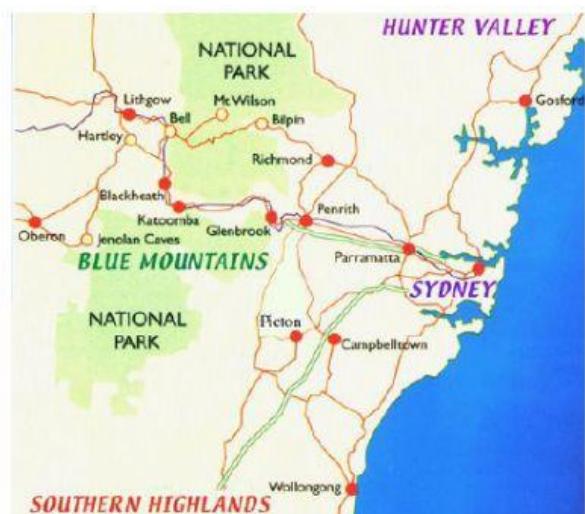

*2 weeks

1. Read this introduction and find information:

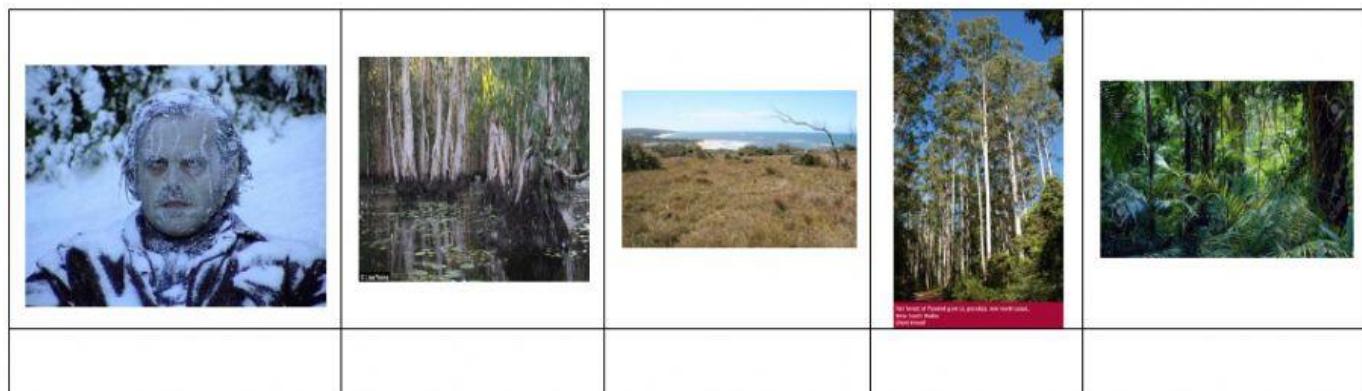

Who?	
Where?	
When?	
What?	

LOCALISATION OF BLUE MOUNTAINS NATIONAL PARK

2. Look at the pictures and find the vocabulary:

3. Answer these questions

a. What did he eat?

b. What did he drink?

c. What other strategy did he use to survive?

4. IMAGINE

If you are lost in the wild you should :

.....
