Oh dear. I'm not good at doing anything. Everyone is good at doing something, but not me. My friends, for example, are good at doing lots of different things. Jenny's good at dancing. She's good at cooking too. She makes great tomato sauce!

Mark is good at running, singing, playing the piano and doing his homework. Mark's brother, Tony, is good at writing stories and playing football. Olga is good at doing Science and drawing. Lola is good at painting and doing puzzles. Oh, Lola is good at everything! She's good at climbing and jumping and swimming. I want to be Lola!

I'm not good at doing anything. No, that's wrong! I am good at doing one thing: writing my diary!
