

**Ex 1: Read and tick True or False**

My name is Jenny. I'm nine years old. There are four people in my family. They are my father, my mother, my younger brother and me. My father is tall and strong. He is very funny. My mother is slim and beautiful. My younger brother is short. He is a cute boy. He often plays with his toys and runs all around the house.

|                                         | True | False |
|-----------------------------------------|------|-------|
