- Action verbs (kata kerja aksi) menunjukkan satu aksi seperti: stood, explained, smashed.
- Saying and thinking verbs menunjukkan apa yang dirasakan/dipikirkan/dikatakan si karakter seperti: told, realized, decided.

READ THE TEXT CAREFULLY

Talaga Warna

Long ago there was a kingdom in West Java. The kingdom was ruled by a king called Prabu. Prabu was a kind and wise king, and there was no hunger in his kingdom. But Prabu and his queen didn't have any children. It made them very, very sad.

Then one day Prabu went into the jungle. There he prayed to his god for a child. A few months later, the queen was expecting a baby, and all the people in the kingdom were happy. Prabu and the queen loved their little daughter and gave her everything. This made the princess a very spoiled girl. If she didn't get what she wanted, she became very angry. But even though the princess behaved badly, her parents loved her, and so did the people in the kingdom.

Day by day, the princess grew more beautiful. When she was 17, her parents invited all the people in the kingdom to a party. Prabu took their gifts of gold and bright jewels and had a beautiful necklace made for his daughter.

On the day of the birthday, people gathered in the palace field. When Prabu and the queen appeared, people welcomed them happily. The cheers were even louder when the beautiful princess appeared. Prabu took the necklace. "My beloved daughter," he said, "today I give this necklace to you. It is a gift from the people of this country because they love you so much." The princess looked at the necklace. "I don't want it! It's ugly!" she shouted, and she threw the necklace on the ground, where it broke into pieces. Everyone was shocked. Nobody spoke. They never thought that their beloved princess would do that terrible thing.

In their silence people heard the queen crying. Everyone was sad and began crying, too. A pool of water formed on the ground. Soon the pool became a big lake. The lake sank all of the kingdom.

Today, people called the lake Talaga Warna. It means 'Lake of Colours'. It is located in Puncak, West Java. On a bright day, the lake is full of amazing colours, which in fact come from the reflection of the trees and flowers around it. But some people believe that the colours are from the princess's necklace, which still lies in pieces at the bottom of the lake.
