##### JANE'S FREE TIME

Jane Willis doesn't have much free time during the week. On weekdays, she goes to school and then does her homework. She usually babysits to earn some money on Friday nights. At weekends, she likes to watch TV. She really likes watching music programmes and comedies. On Saturday mornings, she sometimes goes cycling with her friend Sarah. Jane also likes using computers and going shopping. She often sees her friends on Saturday nights. They often go to the cinema. Sometimes they just play computer games, talk and enjoy their time together. If Jane has some free time on Sunday afternoons, she likes to visit her grandparents and drink tea with them. But soon weekends end and busy days start.
