

6. Learning to Draw a Cat

"I want to draw a cat. First, I look at pictures of cats to see their shapes. I start with simple shapes like circles and ovals. Then, I add details like ears, eyes, and a tail. After that, I can color my drawing to make it look nice. If I practice drawing often, I will get better."

Goal: _____

Steps:

1. _____
2. _____
3. _____
4. _____
5. _____

Try simply shapes

Watch the pictures of cats

More practice

Color the drawing

Add details
