3 Read and complete.

Hi, I'm Chinh. Last year, I had a toothache. I was awful! One of my teeth hurt for three days. I tried drinking warm water, but it didn't help. My dad gave me some medicine, but it didn't stop the pain. In the end, I went to the dentist. He stopped the toothache. I felt so much better! Today, I have a headache. I took a rest, but I still have the headache. My mum told me to drink more water, but that didn't help. Later, I'll take some medicine. I hope that makes me feel better!
