

1. At 7 PM, Tom **was watching** TV.

2. They **were not dancing** when the music stopped.

3. While I **was walking** to school, it started raining.

4. She **was reading** a book when the phone rang.

5. We **were not sleeping** when the alarm went off.

6. What **were you doing** at 10 PM last night?

7. My parents **were cooking** dinner while I was doing my homework.

8. The baby **was crying** when his mother came home.
