

# 1 WEATHER

**phonetic transcription**  
[ˈweðə]  
Voiced TH /ð/.

**Place of articulation**  
Interdental

Interdental sounds are made by placing the tongue between both the upper and lower teeth.

**Manner of articulation**  
Fricative

A fricative is produced by creating a narrow passageway for air to escape the mouth.

**Example**

We love the tropical weather
