INSTRUCTIONS:

Write a short story (6-8 sentences) that includes at least three of the clichés.

EXAMPLE:

Lucas had a big assignment due, but he forgot about it. He finished it at 3 a.m. and handed it in just before the deadline. His teacher said, "Better late than never." Later that day, he saw a woman walking her pet lizard in the park. "Wow," he thought, "It takes all sorts to make a world." When he got home, his brother told him he had to clean out the garbage bins. Lucas groaned, "Ugh, rather you than me!"
