Task 2: Read and answer the question:

The Shopping Habitat

Shopping is a big part of our daily lives. People go shopping to buy food, clothes, and other things they need. Some people enjoy shopping, while others find it tiring.

There are different types of shops. Supermarkets sell food, drinks, and household items. Clothing stores sell fashion items like shirts, trousers, and shoes. Bookstores have a variety of books for people of all ages. Many people also shop online because it is easy and fast.

Shopping malls are popular places for shopping. They have many stores, restaurants, and entertainment areas. People can spend the whole day shopping and having fun. Some malls even have cinemas and amusement parks!

When shopping, it is important to compare prices. Some shops have discounts and special offers. Smart shoppers look for the best deals before buying something.
