Rick's Experiments Gone Wrong

Rick created a new serum to make Morty stronger. At first, Morty was stronger than before, but soon, Summer became the strongest in the family. Meanwhile, Rick built a spaceship. It was bigger than the old one, but not the biggest in the galaxy. Then, an experiment made Jerry smarter than before, but Rick was still the smartest. Beth wanted to be funnier, so Rick gave her a joke enhancer. She became funnier than Jerry, but not the funniest. Suddenly, a giant alien appeared—it was the most dangerous creature they had ever seen.
