

MY BLOG

Axel: Hey Laura! **Did you look** at my blog last night?

Laura: Unfortunately, no. I **had** lots of things to do. While I **was doing** my homework, my cousin **visited** us. It **was** eight o'clock and after that I **couldn't** even **finish** my homework.

Axel: Oh! Poor you! What did you do with her?

Laura: Well. We **didn't stay** at home.

We **went** to the park near our house. While we **were going** to the park, we **saw** Michael on the way. He **joined** us and we **chatted** for an hour there.

Axel: Sounds nice. So, are you ready for Mrs. Sabina's class?

Laura: Not at all. What about you? I **bet** you finished yours last night.

Axel: Well, I **didn't study** all night. I **was watching TV** at eight o'clock. Then I **started** writing my new blog post.

Laura: Cool! What about the homework then?

Axel: Well, my plan **was** to watch some TV then do the homework. After the phone call at eight, I changed my mind and logged in to my blog.

Laura: Who called you?

Axel: Mark. I **was just watching** Jeopardy on TV when he **called** me. He **called** me to say that homework was postponed to next week.

Laura: Really? Great! In the park, I **was** really worried about my homework. I can finish it now. So, while we **were chatting** in the park, you **were posting** on your blog. What's your new post about?

Axel: It's about the coolest inventions in the history.

Laura: Sounds interesting. I'll definitely read it. I have to go now. Bye.

Axel: Bye.
