- a Read the article. What happens on "Singles' Day" in Shanghai?

November 11 is "Singles' Day" in Shanghai, and every year a dating event takes place where all the single men and women of the city have the chance to meet a partner. Last year, it was so popular that the organizers had to close online registration because there were no more places.

Between 10,000 and 40,000 people attend the event every year. It's held in a district of Shanghai called Thames Town. At least 50 dating agencies take part. They set up stands in the town hall with billboards displaying cards with the height, birth date, education, and annual income of thousands of clients. People who did not manage to register for the event organize their own unofficial dating system by writing their names and phone numbers on pieces of paper and attaching them to the fence outside the town hall.

More people take part in "Singles' Day" every year because of the growing number of single adults in Shanghai. In the city, more than 24 percent of people over the age of 15 are unmarried.
