Features of lessons

69 We analyse the language, focusing especially on everyday expressions and learning their meanings.

70 We focus on understanding the rules of the structures in L2 reading passages.

71 We work a lot on collocation and this helps us to memorise common phrases.

72 In my class everyone speaks the same language, so our teacher often asks us to look at English texts and write them out in our own language.

73 Our teacher often tells us stories, and we listen or maybe mime parts of them.

74 We often do lots of exercises on different structures.

Assessment tasks

75 For their final test, students are given a picture and they talk about it. They are assessed on their ability to communicate.

76 Students write an article about leisure facilities in their area. The teacher gives comments later on layout and organisation, content and vocabulary and grammar.

77 Students read three texts on a topic they have studied on the course and do true/false and matching tasks.

78 Students do a vocabulary test at the end of every term on the words they have learnt. This term they have to match words with pictures.

79 Students do a multiple-choice diagnostic test which covers a range of grammar and vocabulary. The teacher then tells the students their main strengths and weaknesses.

80 As part of a monthly test, students write a composition. They then exchange compositions and choose comments from a list, to evaluate the writing. They then return it.
