

Name:

## The Knight

Knights are very brave.

A knight would guard the castle where the king and queen lived.

They had a knack on how to put their armor on.

Their armor and shield was to protect their body, knees, and

knuckles. Knights even had their own horse.

I want to be a knight!

*Read the story three times and answer the questions in complete sentences.*

*1. Who guarded the castle?*

*2. What did knights have a knack for?*

*3. What did their armour protect?*

*4. Write four kn words from the story.*
