Foods and Gifts for the Chinese New Year

The food for Chinese New Year is very special, delicious and meaningful.

_____ is an important part of the meal. It must be served with the head, the tail and the feet. It shows togetherness and keeps the family strong.

_____, an old favorite must be served at the dinner table. They must be uncut and each noodle kept as long as possible. It shows the long life of the person who eats them.

_____ represent money. We can see them at Chinese banquets. Spring rolls are like bars of gold.

_____ for Chinese New Year should be anything in _____, gold or bright colors.
