House Rabbits

House rabbits are the best pets. Rabbits are good pets for someone who lives in an apartment building because they are quiet. They have fur on the bottom of their feet, so neighbors won't hear them hopping around. Rabbits are clean animals. Just like cats, rabbits keep their fur clean by grooming. Their long ears are beautiful. A rabbit looks very cute when it pulls down an ear and licks it. Like all pets, rabbits require special care, but they are worth it.
