B. CLASSWORK

WRITING

Write about your favorite game

- What is the name of the game, and how many players are needed?
- What are the main rules of the game? (How do players win or lose?)
- Why is this game fun or challenging to play?

SUGGESTED IDEA 1:

What is the name of the game, and how many players are needed?

- Chess.
- 2 players

What are the main rules of the game? (How do players win or lose?)

- Checkmate your opponent's king
- Players take turns to move their pieces
- The game ends when one player's king is checkmated, or a draw is declared in some cases

Why is this game fun or challenging to play?

- It is challenging: requiring strategy, thinking ahead, and analyzing the opponent's moves
- It is fun: no two games are the same, and each game tests your problem-solving and decision-making skills

IV. Read the passage below. There are 6 mistakes related to verb tenses. Find and correct them.

In recent years, the role of technology in healthcare *grew* significantly. Medical professionals were using advanced tools such as AI-powered diagnostic systems and wearable health monitors to improve patient outcomes. These innovations not only save time but also enhanced accuracy in detecting diseases at an early stage. Currently, hospitals across the country invest heavily in digital infrastructure, recognizing that modern healthcare require more than just skilled staff—it needs smart systems. Meanwhile, doctors and nurses continue to adapt to these changes through constant training and collaboration. Some of them has already embraced telemedicine as a permanent part of their routine, allowing them to reach patients in remote areas. Although challenges remain, such as data privacy and access inequality, many believe that technology, if used responsibly, will reshape the future of public health for the better.

0. grew → has grown

1. _____ → _____

2. _____ → _____

Paper 3 Use of English PART 4

For questions 35-42, complete the second sentence so that it has a similar meaning to the first sentence. Use the word given and other words to complete each sentence. You must use between **two** and **five** words. Do not change the word given. There is an example at the beginning (0).

Example:

- 0 They think the owner of the house is in France. **thought**
The owner of the house in France.

The gap can be filled by the words "is thought to be" so you write:

0 is thought to be
