

The town where I live

Name: _____

1. Read *the text about Clark's town.*

My name is Clark, and I will tell you about my city and my life.

I live in an apartment complex in the city center. In my city, there is a post office where people usually send letters. I work at this post office and I come there every weekday.

People in my city like to eat at the restaurants. My favorite restaurant serves pizza and doughnuts. I like to spend time there with my family every weekend.

My friends and I usually go to the local park to play football after work. On Fridays, we go to the cinema to watch a movie. My children don't go to school on the weekend and I don't work as well. My wife usually shops at the big grocery store near the park when I play with our children.
