

UNIT 2 LISTENING TEST

Name: _____ Date: _____

PART A KEY SKILLS

LISTENING FOR ADVICE AND SUGGESTIONS

1  2.1 Listen to a meeting between a medical careers advisor and one of her clients. Then read the questions and circle the correct answers.

- 1 Dev wants to work more with patients. What does Dr Rae suggest?
 - a Going back to school to become a doctor.
 - b Making a list of goals and how to meet them.
 - c Doing the same job but going back to school part-time.
- 2 What advice from Dr Rae does Dev disagree with?
 - a Entering a distance-learning programme so he can keep his current job.
 - b Checking the job descriptions at the hospital.
 - c Working as a nursing assistant for less than his current salary.
- 3 Dev is worried about going back to school and losing his income. What does Dr Rae suggest?
 - a Distance-learning while keeping his current job.
 - b Changing jobs at the hospital instead of going back to school.
 - c Taking out a loan to go back to school full-time.

MAKING INFERENCES

2  2.1 Listen again. Tick (✓) the statements that you can infer from the conversation.

- 1 Dev is serious about changing careers.
- 2 Dr Rae doesn't know much about the medical profession.
- 3 Dev will probably enter medical school full-time.
- 4 Dr Rae's advice helped point Dev in the right direction.
- 5 Dev thought Dr Rae's advice about prioritizing his goals made sense.

PART B ADDITIONAL SKILLS

LISTENING FOR OPINION

3  2.1 Listen again. Write *T* (true) or *F* (false) next to the statements. Correct the false statements.

- _____ 1 Dev doesn't like doing mechanical jobs or paperwork.

- _____ 2 Dev thinks the amount of time it takes to become a doctor is worth his time.

- _____ 3 Dr Rae thinks Dev should become a doctor.

- _____ 4 Dr Rae thinks Dev should check the job postings at the hospital.

- _____ 5 Dev thinks working with patients will be rewarding.

UNIT 2 SPEAKING TEST

Name: _____ Date: _____

Participate in a discussion about scholarships.

You have been asked to be on a committee to decide which student should be granted a merit-based scholarship.

- 1 Look at the qualifications of two candidates who are applying for the scholarship. Your job is to consider which candidate should be awarded the scholarship. Decide on the important points and support them with reasons. Write notes and a conclusion to help you organize your ideas.

Candidate A

- has Maths, Chemistry and Biology A-levels
- coaches a local children's football team
- is interested in taking a part-time online course in Physics
- has offered to volunteer at the university to partially offset cost of scholarship
- has not yet written an application essay

Candidate B

- has Art, Geography and Psychology A-levels
- volunteers every weekend at a recycling plant
- is interested in taking a full-time degree in Psychology
- has no plan to offset cost of scholarship
- has completed an application essay and achieved a high score

- 2 Participate in a discussion with a partner or in a small group. Give your opinion and make suggestions. Remember to agree and disagree respectfully. Were you able to come to a final decision?
- 3 Record your discussion.
