Reading

Read the letter.

Hi, Jason.

Well, I arrived here three weeks ago, and I'm having a lot of fun! Seville isn't a big city, but I like it a lot. It isn't very crowded or busy, and the people are really kind. My room in college is small, but it's quiet. There's a small convenience store on the corner, so that's where I go shopping. I start class at nine and study until one o'clock, Monday through Friday. Spanish is fairly easy, and I'm learning a lot. When I arrived, I didn't speak a word, and now I can have a conversation!

It's expensive here, so I want to find a part-time job. I had an interview yesterday for a job in a fast food restaurant, but I didn't get it. I'm going to a party with Sheila tonight. She's in my class. She's very friendly and outgoing. We're going to learn judo together. Anyway, please write.
