#### About me

I am very happy to join this group of teachers and I am sure we can be friends soon.

I'd like to tell you a little bit about myself. My name is William Adams and I'm Australian. I come from Canning Vale near Perth in Australia. It's a small town with a **population** of around 10,000. There are more than 70,000 people living in Phuket, so it's much bigger!

I came to Thailand to teach English. It's my first job in another country, so everything here is new to me. Phuket is a nice city, but it is very crowded and busy. My town is a lot quieter! I teach English to **teenagers** at a high school and I like my job. The students are very friendly and **polite**. This makes my job quite easy! I enjoy living here because there is so much to do in my free time. I like to go surfing and sailing at the weekends. My flat is only one kilometre from the sea, so I can walk to the nearest beach.

The **temperature** here is the same as in Perth during the summer. It's usually around 30–32 degrees Celsius. For some people, this is too hot, but it's fine for me!

I am learning how to fish at the moment. When I catch a fish, it's **thrilling** and great fun!

I hope to meet some of you soon!
