A little time*

I need a little time to think it over
I need a little space just on my own
I need a little time to find my freedom
I need a little

Funny how quick the milk turns sour, _____, _____?
Your face has been looking like that for hours, _____,
_____?

 Promises, promises turn to dust
Wedding bells just turn to rust
Trust into mistrust

 I need a little room to find myself
I need a little space to work it out
I need a little room all alone
I need a little

You need a little room for your big head, _____,
_____?

You need a little space for a thousand beds, _____,
_____?

Lips that promise, fear the worst
Tongue so sharp, the bubble burst

Just into unjust

I've had a little time to find the truth

Now I've had a little room to check what's wrong

I've had a little time, and I still love you

I've had a little

You had a little time and you had a little fun,

_____, _____?

While you had yours, do you think I had none,

_____, _____?

The freedom that you wanted bad

Is yours for good, I hope you're glad

Sad into unsad

I had a little time to think it over

Had a little room to work it out

I found a little courage to call it off

I've had a little time

I've had a little time

I've had a little time

I've had a little time
