Orbitskates

Are you looking for something new and fun? Forget heavy conventional roller skates! Try the coolest Orbitskates. Just put your feet in the center of the circles and begin skating. They are lighter than roller skates and more practical than a skateboard. They are so small and compact that you can take them everywhere. Hurry, there aren't many left! You can't find Orbitskates in stores. Get them at www.topgadgets.com for only \$119.95.
