

TEAM: - CLASS: 5A4

1

Read and choose the correct answer. What should Alex do?

Alex: Wow! I just discovered something amazing about the waste treatment system in a mountainous area!

Mary: Hey! That sounds incredible. Have you told your teacher?

Alex: Not yet. I think I need to update it a bit more before sharing it.

Mary: You should write down your findings. It will help you keep track, update, and share them with others.

Alex: I will! Thanks for the advice.

A. He should **invent** the waste treatment system.

B. He should **inform** his friends.

C. He should **create** a new project.

D. He should **record information** of his invention.
