Isabel's Free Time at Home

Hello! My name is Isabel. I am 13 years old. I live with my parents and my little brother. I want to tell you what I like and what I don't like doing at home.

I like watching TV. My favorite show is about animals. I watch it every day after school. I also like reading books. I read in my room. I like stories about magic and adventure.

I enjoy listening to music. I listen to music when I clean my room. I don't like cleaning, but music helps me feel happy.

I don't like cooking. It is boring for me. I also don't like doing homework, but I know it is important. I do my homework in the evening.

In my free time, I sometimes play games on my tablet. It is fun!

What do you like doing at home?
