

# Little Monsters

Choose one of the "monsters" character below and create your own with different exaggerated or creative body parts.

## Instructions:

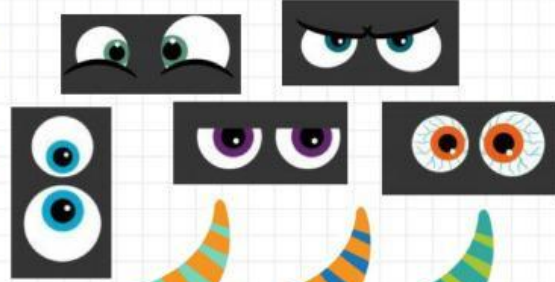

- Using different parts of the body, try to create a monster or Super human with multiples and creative parts.
- Use the images that your teacher gives you here!

- Using simple present, design 10 short sentences to describe your monster, for example:

- **My monster has three eyes**
- **My monster use four hands to hug**
