

Bluebell Primary School NEWSLETTER

12th September 20XX

It is the start of the new school term. Which school club do you want to join? To help you choose, read what some students do in their favourite clubs.

At the **Fencing Club** I can learn how to fight with a sword! It is

amazing! I wear special clothes and a mask on my head. The swords are not sharp so we do not cut other students. Fencing is exciting and I love it!

Billy Ma, 5F

I think the best club is the **Latin Dance Club**. I like Latin Dance because the music is fast and exciting. I wear a beautiful pink skirt and high-heeled shoes. At the end of term, we have a big dance party. It is fun!

Helen Hill, 6B

After the **Rope Skipping Club**, I feel very tired but I love it! I can skip by myself or with friends – we can have four people skipping at the same time. We can also do it with two ropes – that is really difficult! Come and try it!

Paul Li, 2A

At the **Robotics Club** we build robots! We work in small groups and use a computer to design and program our robot. Then we build the robot and test it. I want to be a scientist when I leave school so the Robotics Club is great for me!
