

Zara Rutherford's Amazing Trip

Zara Rutherford was a young pilot from Belgium. She loved flying planes. In 2022, she flew around the world alone. She was only 19 years old!

Zara started her trip in Belgium. She flew over many countries and visited big cities. She went to France, Italy, and Greece. Then, she flew to Egypt and saw the pyramids. In Asia, she visited India, Thailand, and South Korea. She also flew to the United States and Canada.

Zara saw beautiful mountains, long rivers, and big cities. She flew in hot weather and cold weather. Her trip was not easy, but she was brave.

Zara finished her trip in Belgium after five months. She was the youngest woman to fly alone around the world!
