Hi Daniel,

Thanks for your email. It was great to hear from you. It sounds like you are having a great time at your new school.

This year we have a new Maths teacher. Her name is Mrs. McDonald and she is really cool. She's of medium height and quite slim. She has long, straight hair and beautiful blue eyes. Mrs. McDonald is a cheerful person and we have a lot of fun during her lessons. She is also very energetic and stays after school for hours to solve the problems that we had in her class. Sometimes, during our lunch break, she keeps us company and we ask her questions about her life. She likes doing the same things as me! In her free time, she enjoys listening to music and surfing the Net. At the weekends, she likes going for shopping with her family.

She's a great teacher! Do you have any new teachers? Write back soon. Love,
