Once upon a time	Some time later	Then	Finally

Three Witches

_____, there was a little schoolgirl in Scotland. She had a small brother. They lived in a village. Then, one day, three bad witches came. The witches took her brother to the dark forest. The wanted to kill him and make the potion to stay young forever.

The girl was very sad. She wanted to help her brother. _____, she took her bag and went to the forest. She was not afraid.

_____, the girl saw the witches. Suddenly, the girl found a magic stone in her bag. She used the stone and said, "Go away, witches!" The witches were scared and ran away.

_____, the girl found her brother. They went home together. Everyone was happy. The girl and her brother played and laughed all day.
