Instruction: Match each picture with the correct keyword

Guinea Bissau

**Bijante and Colage**

They designate certain areas as sacred, limiting access and resource use. Community rules and taboos help maintain ecological balance by prohibiting hunting, unnecessary tree cutting, and disturbing wildlife.

Belief

Guinea Bissau

**Bijante and Colage**

They believe the forest and its ecosystems are more than just resources—they are deeply connected to their way of life.

Practice

Guinea Bissau

**Bijante and Colage**

They change from planting more trees and listening to the leader to planting, maintaining the ecosystem and encouraging people in community.
