

Lucy's Day

Lucy got up very early to go shopping with her mom. The sun was already shining brightly outside. She prepared breakfast for the whole family while her mom finished doing her siblings' laundry. Then, everyone ate breakfast together happily. After that, Lucy washed all the dishes, brushed her teeth, and took a quick shower. Feeling excited, she started looking for her favorite dress and shoes to go out with her mom. She carefully applied makeup and styled her hair before leaving.

It was 12:00 p.m. when they left for the city. Unfortunately, her mom's car broke down, so they had to leave it at a garage. They walked to the bus stop to wait for a bus or a taxi, and finally, they managed to take a taxi. They arrived at their destination, which was the shopping center in their city. Lucy's birthday was the next day, so her mom took her to buy a gift. Lucy chose some black shoes, a pink blouse, and a pair of pants.

After shopping, her mom wanted to prepare a small party with Lucy's closest friends. They went to the market to buy the food they would serve at the gathering. In the end, they arrived home tired but happy. Lucy eagerly tried on her new clothes and excitedly looked forward to celebrating her birthday with her friends and family.
