Getting A Weekend Job

by Paula Mark, aged 16

Last summer I wanted to start earning money so I could save to go on holiday with my friends. But if you are under eighteen, you are limited to what jobs you can do. I applied for jobs at a few shops in my neighbourhood but none of them had any jobs for teens. I thought I would never find a weekend job. Then, one day my mum gave me the local newspaper and showed me an advert for the local zoo. They were looking for teenagers to work at the weekend. So I immediately applied for that job online.

Within a few days, I got a phone call asking me to go for an interview. I put on my best clothes and went to the zoo's office the next day to meet the manager. The interview must have gone very well because when I got home, I got a phone call from him saying that I got the job. He asked me if I could start the following Saturday. And of course I said yes!

On Saturday morning I got up very early and went to the zoo. I was there too early and the gates were still locked. At nine o'clock the manager arrived to open the zoo. He took me to the staffroom and gave me a uniform which I had to put on over my normal clothes. He also gave me a pair of boots. He told me that the ground was wet and dirty everywhere, so I would need them.

My first job was to clean the elephant house. It was great fun because I was with another girl that had been working there for some months. She was really friendly and gave me lots of tips. And there were two baby elephants trying to play with us. They were very funny! My colleague told me that our next job was to clean the lion's cage. I was really scared but luckily the lion wasn't in the cage at that point.

It's been a couple of months since I started my weekend job and each week I am taken to work with other animals and people. I really love it!
