Simple Steps to a Greener Planet

Three ways everyone can help make the Earth a greener place is to reduce, reuse, and recycle!

When people reduce it means they are using (19) _____ of something. This allows us to create less waste. Turning off the faucet when we brush our teeth is a simple way to reduce. This is a small action that prevents us from wasting (20) _____.

Another small action people can take is to reuse things we already have. Taking bags to the store when we shop for food is one way to reuse them. Using both (21) _____ of a piece of paper before getting a new one is another way to reuse.

(22) _____ is when new materials are created from old ones. Paper, plastic, and metal are all materials that can be recycled. Things like newspapers, soda cans, and plastic bags can all be turned (23) _____ new objects if we take the time to recycle them!

Doing these small things helps protect our environment and (24) _____ the amount of trash we throw away every day.
