STREET FOOD

Cheeseburgers come from the US. They're meat with cheese in bread. They're very good.

Chicken Kyiv comes from Ukraine. It's fried chicken with butter and garlic in it. You can have it with rice or salad.

Noodles come from China. You can have noodles with meat and vegetables. You can also have them in soup. They're yummy!

Crepes come from France. They're like thin pancakes. French people eat crepes with cheese. There are also sweet crepes, with jam or chocolate.

1. Listen and read, match.
