DISNEYLAND

California is home to one of the biggest and most famous entertainment parks in the world – Disneyland. Disneyland opened in 1955 with the slogan “The happiest place on Earth”, and it soon became very popular. The number of visitors to the park has gone up very fast. In 2018, it attracted nearly 19 million visitors, both children and adults.

There are different kinds of entertainment throughout the park. Mickey's Soundsational Parade is the most popular event. It celebrates songs from the most famous Disney films. During the parade, well-known Disney characters march along Main Street. They dance with the music, greet visitors, talk with children, and pose for photos. Everybody is welcome to join the fun.

Another great attraction of the park is its fantastic fireworks show. During the busy season, the park offers the show nightly.

PART 2. Read the following passage about benefits of learning English and mark the letter A, B, C, D on your answer sheet to indicate the best answer to each of the following questions from 25 to 29. (1.0 point) 150w

The ability to use English brings many benefits to its users. It helps people learn new things through TV programmes, YouTube videos, and online lessons. It also helps them communicate when they travel abroad. In addition, knowing English allows people to enjoy English songs, read books, watch films, and make international friends from English-speaking countries.

In many parts of the world, English is not only a popular language but also an official or second language. In Asia, for example, English is used widely in schools, offices, and public places. Countries such as India, Singapore, Nepal, the Philippines, and Pakistan use English in daily life. Students in these countries often study English from a young age. Workers use English to do business or join meetings with people from other nations. So, if you know English, you can connect with more people and find it easier to live or travel in many countries.
