Review Unit 3

Emma White

At the Museum

- 1 Do you like museums? I do! My favorite museum is the Science Museum. I love the old things there. There are some very old wheels / lamps at the museum. They're 2,000 years old. They need oil in them. The oil burns.
- 2 There's an old computer / screen at the museum, too. You can put a new computer in a backpack, but this computer needs a big room.
- 3 This old bike / TV is very funny. It's big, but the screen is small.
- 4 My favorite thing at the museum is an old lamp / bike. One of its wheels is very big and one wheel is very small. When you ride it, you sit on the big wheel. It's great!
